HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. HD Radio™, HD Radio Ready™, and the HD Radio Ready logo are proprietary trademarks of iBiquity Digital Corporation. • All units in this catalog are primarily intended for installation in passenger vehicles. Use in commercial trucks, tractors, off-road vehicles, construction machinery, boats (except Marine models), and other special-purpose vehicles or on motorcycles is not recommended. • It may not be possible to resume iPod Video playback. Whenever ACC is turned OFF/ON, playback will commence from the beginning of the file. • iPod nano 1G and iPod 5G simple control mode is not supported. (CD type Source units) • To use iPod nano 1G and iPod 5G, it is necessary to first connect using optional Connection Cable for iPod, then set Analog/Digital switch to Analog. (CMV1) • There's no guarantee that all units in this catalog play CCCD (Copy Control CD), Hybrid SACD (Super Audio CD), CD-R/RW and DVD±R/RW. • USB digital media streaming models. This product is protected by certain intellectual property rights of Microsoft. Use or distribution of such technology outside of this product is prohibited without a license from Microsoft. Windows Media and the Windows logo are trademarks or registered of Microsoft Corporation in the United States and/or other countries. • Please see the Clarion website for iPod models that can be connected. • Clarion's navigation systems should not be used as a substitute for your own judgment. Any route suggestions made by a Clarion navigation system should never override any local traffic regulations, your own judgment, and/or knowledge of safe driving practices. Disregard route suggestions by the navigation system if such suggestions would: cause you to perform a hazardous or illegal maneuver, place you in a hazardous situation, or route you into an area you consider unsafe. • The advice provided by the navigation system is to be regarded only as a suggestion(s). There may be situations where the navigation system displays the vehicle's location incorrectly, fails to suggest the shortest course, and/or fails to direct you to your desired destination. In such situations, rely on your own driving judgment, taking into account current driving conditions. • Do not use the navigation system to route you to emergency services. The database does not contain a complete listing of locations of emergency service providers such as police, fire stations, hospitals and clinics. Please use your judgment and your ability to ask for directions in these situations. • As a driver you are solely responsible for your road safety. • In order to avoid a traffic accident or traffic offense, remember that actual road conditions and traffic regulations take precedence over the information contained in the navigation system. • Accordingly, the software may contain inaccurate or incomplete information due to the passage of time, changing circumstances, and due to the nature of the sources used. Please observe the actual traffic circumstances and regulations at all times while driving. • The navigation system does not provide, or account for in any way, information regarding traffic and road laws; vehicle specifications including weight, height, width, load, and/or speed restrictions; road conditions including road slope, grade, and/or surface conditions; obstruction information including bridge and tunnel height and width, and/or other prevailing driving and/or road conditions. Always rely on your own driving judgment, taking into account current driving conditions. • Minimize the amount of time spent viewing the screen while driving. • The driver should not operate this unit while driving. Be sure to stop the vehicle in a safe place when the driver is operating this unit. For safety, some of the navigation functions are prohibited unless the vehicle is stopped with the parking brake engaged. • 3rd party devices such as, but not limited to, Apple iPod, Bluetooth mobile phones, SiriusXM Satellite Radio tuners are not included with Clarion products.

Clarion Corporation of America is a member of the Consumer Electronics Association (CEA) and Specialty Equipment Manufacturers Association (SEMA)

WARNING: Driver is prohibited by law from viewing a video signal on any in-dash monitor while the vehicle is in motion.

Clarion®

Our Experience Enhances Yours

Welcome to the 2012 lineup from Clarion. A fully satisfying selection of exactly what you need to power-up your drive. From multimedia head units that easily integrate your everyday entertainment, intelligent car audio systems, and high quality audio units, to power amps that add muscle to your music, and speakers and subwoofers for sound that stands out in the crowd. At Clarion, we bring what's next to you first. Count on our experience to enhance your mobile lifestyle.

Clarion is not necessarily a household name, and for a good reason — you won't find us in the home! That's because Clarion specializes in creating high quality entertainment products exclusively for use in your car.

We don't do a little of this and a little of that. We're in-car experts, period, and have been for over 70 years. And to let you in on a little secret — our products are factory installed in quality cars by over 34 car manufacturers worldwide, including Ford, GM, Chrysler, Toyota, Nissan, Honda, Hyundai, and more. The people who know us trust our products.

Our tradition of innovation has made it possible to be at the forefront of car entertainment, year after year, and our track record is full of world's firsts and Japan's firsts. But that's history, and what really counts is what the exciting innovative future holds.

Maximize Your Drive Time Enjoyment.

MULTIMEDIA / NAVIGATION

The Leading Edge Driving Experience

Clarion's multimedia lineup includes flexible car navigation solutions complemented with a wide array of audio visual capabilities, so the road ahead will always be both efficient and entertaining. Touch screen operation with support for flick operation lets the user interact with the source unit similar to how you would directly on an iPhone®. Experience a higher level of digitally-driven satisfaction, with Clarion.

SOURCE UNITS

Superior Audio Connectivity and Flexibility

Clarion's in-car audio features a sharp and vivid design that integrates nicely with a wide range of interiors. Compatibility to the latest digital media such as PANDORA® internet radio via iPhone/iPod touch™ USB connection, iPod® and Bluetooth® let you bring your world, seamlessly, into your car. And our commitment to sound quality led us to adopt MOS-FET power amps for all of our main units.

AMPLIFIERS / SUBWOOFERS / SPEAKERS

The Power to Really Drive Your Music

Clarion's amps, subwoofers and speakers are ready to blow the competition away. Reproducing superior sound at high output levels is a science, and Clarion is up to the challenge. The result is a full lineup of devices that have a direct impact on what you hear and how you look. Sound purity even with the volume cranked up, plus eye-catching extreme design to get you noticed, that's Clarion.

MARINE AUDIO SYSTEMS

Ride the Waves with Sound You Can Sea

Borderless in the extreme, you can take your favorite tunes out of the car and out to sea — with Clarion's watertight heavy-duty source units and components. They're engineered to take on the spray, salt and fog, and just keep going. Install Clarion in your vessel, and make your next cruise a real splash, filled with knots and knots of nautical entertainment.

NAVIGATION

The Ultimate Multimedia, Navigation and Connectivity Solution.

2-DIN DVD Multimedia Station with Built-In Navigation & 7-inch Touch Panel Control

PANDORA internet radio

PANDORA® internet radio using iPhone®/iPod touch™ app lets you give tunes a "thumbs up" or "thumbs down".

SRG1322R	5-1/4"	230W	Coaxial 2-Way	RMS Power:30 watts Impedance: 4 ohms
SRG1022R	4"	180W	Coaxial 2-Way	RMS Power:30 watts Impedance: 4 ohms
SRG5732C	5" x 7"	250W	Custom Fit Multiaxial 3-Way	RMS Power:40 watts Impedance: 4 ohms
SRG4622C	4" x 6"	200W	Custom Fit Coaxial 2-Way	RMS Power:30 watts Impedance: 4 ohms
SRG922C	3-1/2"	80W	Custom Fit Coaxial 2-Way	RMS Power:20 watts Impedance: 4 ohms

Ride the Waves with Sound You Can Sea

7-way Rotary Volume Control and 20 Key Remote with Built-in Parrot Bluetooth Module and Works with PANDORA®

Marine Mechanism-less Bluetooth Receiver

Clarion is a Leading Brand in Marine Audio. One of the First to Offer Marine Source Units with Video Playback on an Integrated Screen.

Watertight Marine DVD/CD/USB Receiver with CeNET Control

Watertight Marine CD/USB Receiver with CeNET Control

Engineered to Withstand Water and Salt (CMV1/CMD6/CMD7/CMS1)

Stainless Steel for Durability Behind the Scenes (CMV1/CMD6/M309)

Watertight Marine CD/USB Receiver

Essential Functions and Quality with Added Reliability

Marine CD/USB Receiver with CeNET Control

Marine CD Receiver

Hideaway Source Unit for Unique Applications

Digital Media Receiver with Watertight Commander

Watertight Digital Media Source Unit

Just connect your iPod using the optional CCUIPOD2 cable for full control from the source unit.

• Suction or Screw-In Mounting
• Multi-Angle Adjustable
